From the Director

Lee County Parks & Recreation offers a broad variety of recreation and leisure opportunities for our citizens. Programs and facilities are available for the very young to the not so young and all in between. The department is committed to providing citizens with quality recreational programming and facilities.

The department is very excited about our newest addition to our park system. Tramway Road Park when complete will comprise about 26 acres with athletic fields, walking trails, playground, and fishing access. Phase I of the project is nearing completion and Phase II is getting underway. This facility will be a fantastic place when finished and will serve us well for many years. The athletic field will be utilized by Southern Lee High School and the new middle school for their scholastic baseball and softball programs. In fact, the high school played their inaugural baseball and softball seasons this past spring only 6 months after grass was sprigged onto the fields. Park & Recreation will be responsible for scheduling the park for athletic competitions and coordinating maintenance of the facility.

Many people have contributed to the creation and development of this park. In addition to local general fund appropriations, \$750,000.00 of funding has come from the North Carolina Parks & Recreation Trust Fund. Donnie Oldham with Sanford Contractors, Inc. made a major contribution to development of Phase I of the Project. Also, members of the Sanford Area Home Builders Association with contributions from local suppliers and contractors are in the process of building the concession/restroom facility for the park. Jimmy Sprouse with San-Lee Irrigation, and Progress Energy have provided assistance with development of the park. Everyone associated with the project have worked very hard to ensure that the park will be as fine a facility to be found anywhere.

The project should be complete by the summer of 2008. We hope that you will come out and enjoy what the park has to offer.

Lee County Parks & Recreation Mission Statement

The mission of Lee County Parks and Recreation Department is to enhance the quality of life in Lee County by providing a broad variety of accessible leisure, recreation, cultural activities and services.

Nature Center

See your wild neighbors up close and learn more about them. The Nature Center houses live native, non-releasable wildlife in the forms of mammals, reptiles, fish, and birds of prey.

The Wildlife Rescue Center

The Wildlife Rescue Center is a non-profit organization made up of dedicated volunteers who take in, rehabilitate, and release back to the wild injured or orphaned wildlife. As home base for the group, San-Lee Park provides a drop-off point for the public and a pick-up point for volunteers. Animals are taken in year round. If you are interested in volunteering with this organization please contact the park at 776-6221.

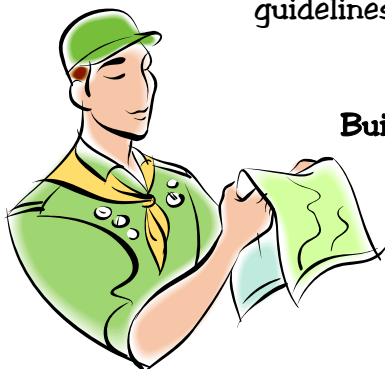

Please note that it is illegal to keep in your care any wildlife without the proper permit from the state government (and sometimes the federal government). The park can help those individuals who are serious about obtaining these permits.

Scout Projects

Over the years, Boy & Girl Scout projects have provided San-Lee Park with many needed improvements. A new bridge for the meadow, amphitheater, and trails are examples of scout projects.

Program Dates: Year Round

Fees: Cost of building materials for projects is covered through donations and guidelines regulated by the Boy & Girl Scouts of America.

Build your future and make a lasting impression!
Join the scouts to help your community!

Nature Trails

Approximately 4 miles of hiking trails offer a true nature experience at San-Lee Park. The trails wind along the two lakes and through the woods, offering great fishing spots and great views. There is no cost. The Nature Trails are open year round during park operational hours.

Mountain Bike Trail

This trail measures approximately 5 miles long, and winds around the entire park's perimeter. It is perfect for the moderate to difficult rider. Trail usage is during park hours.

Community Fishing Program

The Lee County & North Carolina Wildlife Resources Commission provides opportunities for urbanites, especially the young, elderly, and physically challenged, to enjoy the pleasures and benefits associated with the fishing experience. The fishing program is year round, during park hours and is available to all ages, male and female. Fishing piers and bank fishing are available. Lakes have been stocked with over 29,600 fish in the past 5 years.

Fishing licenses are required by State Law through the North Carolina Wildlife Resources Commission. Licenses can be purchased, along with tackle and supplies, at several places in Lee County. (K-Mart, Wal-Mart, Lee Sporting Goods, and Thomas' Bait & Tackle)

Rod, Reel, and Tackle Loaner Program

Kids who don't have parents who fish or money to buy equipment can check out a rod, reel and tackle to give "America's #1 Sport" a try. Zebco 33 classic rods and reels will be provided for check out, along with a tackle box, tackle and a how-to-fish booklet. Parents must fill out a registration form then a check out card will be issued.
